## Product Change Notice

Issue Date: 27 Sep 2019

**Change Type:**

Major

**Parts Affected:**

HFBR-2402Z

**Description and Extent of Change:**

1. Change device marking from ink to laser marking.

**Reason for Change:**

1. Improve marking permanency and accuracy.
2. Improve product cycle time and to simplify material supply chain. The laser marking has been qualified and used in other Broadcom automotive products since year 2013. Housing and Marking format remain unchanged.

**Effect of Change on Fit, Form, Function, Quality, or Reliability:**

The product datasheet specification remains the same. No change on Fit, Form, Function, Quality and Reliability.

**Effective Date of Change:**

Above mentioned changes will be effective on or after 1 January 2020 (WW2001). Timing of shipment, on or after 1 January 2020 will vary by part number depending on customer demand, and inventory levels.

**Qualification Data:**

Qualification samples available.
