

Info Note

Release of second source terminal block connector suppliers**Scope**

This Information Note is released to announce that Power Integrations has qualified additional terminal block connector suppliers.

Statement

In order to further improve the supply chain security, Power Integrations has qualified and released additional terminal block connector suppliers.

These connectors will serve as a second source.

No change (form, fit and function) will result on final products. Minor green plastic material color differences may occur.

Figure 1: Exemplary picture with affected terminal blocks marked in red.

This change will be implemented with immediate effect.

Affected products are:

ISO5125I, ISO5125R product families and respective custom product family CSD172
