**Subject: Product Termination Notification MLX90615 [MLX90615SSG-DAA-000 and MLX90615SSG-DAG-000]**

Dear Mr Sorteberg,

We regret having to inform you that Melexis intends to stop production of above-mentioned product due to long term non-availability of the required technology to manufacture this product. As a replacement product we suggest using the MLX90632SLD-DCB-000 (SMD) or MLX90614ESF-DAA-000 (TO-39 can).

To prepare a ramp-down scenario, Melexis will still accept orders of MLX90615SSG-DAA-000-TU and MLX90615SSG-DAG-000-TU and till 31-DEC-2021. By then we expect a final all-time buy order for delivery until 30-JUN-2022. Hence, we are providing you an 11 months transition period.

This order will be non-cancellable and non-returnable. The current unit price, payment terms and shipment terms remain applicable.

Regarding the storage of the products shipped by Melexis we refer to the [shelf life confirmation letter published on our website](#).

For logistical follow-up and assistance with your orders, please contact your main contact at Melexis, Hendrik Schoofs, hch@melexis.com. In case of technical questions, please contact the undersigned.

Sincerely,

**Joris Roels**
