Reason:

Decommission of Newport, Wales wafer fab, [as announced by the corporation on May 5th, 2015](#), combined with lack of demand on these IC materials. Please note that we have EXTENDED the Last Time Buy Date and Last Delivery Date from the standard six months to eight months to support our customers for their last time buy orders.

On January 13, 2015, Infineon Technologies acquired International Rectifier. The organization and business of former International Rectifier have been integrated into Infineon. That means that customer facing IT tools and processes like PCN, Information Note and Product Discontinuation are being merged consolidated.
